\*While we use gluten free products, this facility is not gluten free and uses wheat products throughout this facility including our kitchen and ovens. If that is a concern, please consult your physician.

Gluten free pasta is boiled in a separate pot than our other pastas. Gluten free pizzas are baked on the same bricks as our wheat flour pizza - but the bricks are well swept and the pizza sits on a bed of cornmeal. There could be a small amount of wheat flour in our ovens.
